

Saboom.com presents the new show "Rent a Girl"

Right before Christmas "Saboom – interactive porn" presents a new show called "Rent a Girl". Besides pornstar David Perry young talents get the chance to show their talents.

Saboom Fans get a very special present just one week before Christmas "Saboom – interactive porn" presents a new show called "Rent a Girl".

The plot of this interactive show follows the userfeedback and considers the costumer wishes for a selection of different types of women. In customary Saboom style the user decides which girl should satisfy him. In this show there are five different girls available: a housemaid, a nurse, a fetish girl, a romantic dinner and a girl with big boobs. The user decides according to his preferences and designs the plot because of his decisions.

Saboom.com wants to score because of its Interactivity, creativity und variety and that means to give also porn-newcomers a chance. In "Rent a Girl" the newcomers Abelia, Krystal Love and Rye show off there talents in front of the camera. Combined with a professional actor like David Perry it's a very hot mix.

Plot of "Rent a Girl":

David receives a suprise package in this show. This little box which is delivered by mail contains a mysterious remote control. This remote is the immediate way to the world of Saboom. By pressing a button he can order five hot girls.
